

St Clare's Catholic High School

A Catholic school of excellence and improvement

18 May, 2017

Dear Parent / Carer,

Maths and English Club is an opportunity for students to work with a Maths and/or English Teacher after school, outside of the classroom, on a one-to-one basis.

Students are encouraged to bring with them questions from class or homework that they can't complete, or to ask the teacher to clarify anything spoken about in class. Students can also ask for extension work if they would like to challenge themselves.

Maths and English Club will be held on Wednesdays after school from 2:30-3:30pm, starting in week 5. Students must remain at Maths and English Club for the entire hour. Students will be notified beforehand any week that Maths and English Club won't be running.

Students will need their parent's permission to attend after school. Parents are responsible for arranging transport home for their child. Only students who have returned their permission notes will be permitted to attend Maths and English Club.

Could you please sign the permission slip below and return it to the School Office.

Yours sincerely,

Shane Morris
Principal
