

St Clare's Catholic High School

A Catholic school of excellence and improvement

6th February 2018

GENERAL PERMISSION NOTE

Dear Parents/Carers,

At regular times during the school year, the entire school community may be involved in an activity that is not on our school site. Most community events would involve the population of the school travelling to a specific venue.

The transport to these events would be by chartered buses. The cost for this is built into the school fees.

The types of events that would require transport include but are not limited to:

- Ash Wednesday and other Masses at Good Shepherd Parish Church, Plumpton
- Swimming Carnival
- Athletics Carnival
- Sporting Events

Sport is an integral part of St Clare's Catholic High School, and individualised specific notes may come home regarding transport and venue locations. This will apply to those students who successfully trial for a PDSSC team where these students will receive confirmation and training/transport details.

As confirmation you have received this notification, could I ask that you sign the permission slip below and return to your child/ward's Learning Advisor by **Friday 9th February**.

Any questions can be directed to the College during normal school hours.

Yours Sincerely

Mr A. Hulme
Assistant Principal, Teaching and Learning
