

St Clare's Catholic High School

A Catholic school of excellence and improvement

16 February, 2018

Dear Parents and Carers,

I am writing to you with information about an incident that happened at school today. This resulted in students staying in classrooms at the end of recess for a period of time due to an altercation occurring in the playground.

The well-being of all students in our community is always our highest priority. The students were redirected to their rooms to ensure they were well away from any possible harm. After the incident, school learning continued throughout the afternoon.

The police were called and now have spoken to the students involved and to their families. No students were seriously injured during the incident. The incident will be fully investigated by the police in the days ahead and once the circumstances are known, a decisive and appropriate response will follow.

Thank you for your ongoing support of St Clare's Catholic High School.

Sincerely yours,

that Mono

Shane Morris Principal
